Thesis/Dissertation Title Page Example

The following is an example of your title page requirements when submitting copies to the thesis binding office.

Please remember to include:

- Title
- Name
- Designate “thesis” or “dissertation”
- Designate specific degree being received (i.e. Master of Science in Bioinformatics)
- College
- Department/school
- Date approved
- Label the university: Rochester Institute of Technology or RIT (if applicable, indicate global campus location, i.e., RIT Dubai)

Omission of ANY items will result in the non-acceptance of your submission until corrections have been made.

It is recommended that the signatures of your committee appear on a separate page. Check with your department for their preferences.

REMEMBER: A “permission to reproduce” statement is no longer required. If you require a delay on the release of your work, please fill out an embargo form.
